college preparatory high school

The History and Mission of CSHM High School

Cantwell Sacred Heart of Mary, a Los Angeles Archdiocesan high school in Montebello, California, continues its over fifty year tradition of academic excellence by preparing young men and women of character for college and life. With 97% of its graduates going on to college, 70% of whom are accepted to 4 year universities and colleges, CSHM High School's record of success in preparing young people for college is unmatched by any school in our community.

Cantwell Sacred Heart of Mary, embodies the traditions and values of two respected educational traditions long associated with the San Gabriel Valley, Cantwell High School and Sacred Heart of Mary High School. In July, 1991, these two traditions came together to form Cantwell Sacred Heart of Mary High School.

The school provides an atmosphere of learning which develops an awareness of self-worth, respect and

responsibility towards others, thereby fostering an appreciation of cultural and ethnic diversity. Every aspect of the school program is based on a foundation of principles which promote Gospel values. This Christian message is made a part of the educational experience while preparing young women and men for college and life.

Cantwell Sacred Heart of Mary High School offers curricular and co-curricular activities to provide all students with opportunities to pursue their interests in a cooperative and caring environment. The curriculum prepares students to face future educational and career challenges. The co-curricular program assists students in developing mental and physical skills, self-discipline, teamwork, and a healthy competitive spirit.

Cantwell Sacred Heart of Mary has received the maximum term of accreditation of six years from the Western Association of Schools and Colleges and the Western Catholic Educational Association.

Financial Aid

Cantwell-Sacred Heart of Mary High School strives to serve our local community. Because a Catholic Education is such an advantage for the young people of our community, we are able, through the generosity of our friends, alumni, faculty and staff, to offer financial aid to many students who could not otherwise afford a CSHM High School education. Financial aid is available to all students who have been admitted to CSHM H.S. whose families demonstrate financial need. Continued financial aid is renewable on condition of continued need and academic achievement.
